- Spa Cloth's textured Microdermabrasion folds Exfoliate, Rejuvenate and Invigorate your skin like no loofah, puff, or washcloth ever could!
- Skin is pampered as dulling dead skin cells and dirt are whisked away, revealing healthy, glowing, younger-looking skin.
- Spa Cloth cleans without chemicals, leaving skin soft and supple.
- Spa Cloth is the premier bath cloth for the discriminating customer.
- Sloughs away rough, uneven skin while bathing the body in deep, luxurious foam.
- Awaken your senses and rejuvenate your skin as SpaCloth massages your cares away.

## How is Spa Cloth better?

- Spa Cloth is cleaner, safer and more hygienic than other bath products. It does not harbor bacteria and is easy to use.
- Spa Cloth's patented textured folds are constructed of a high-quality 50/50 blend of cotton and nylon. It will not fall apart.
- Other products simply move dirt around on the surface of the skin. Spa Cloth efficiently exfoliates away dirt, pollutants, as well as dead skin cells. Spa Cloth promotes circulation while leaving skin tingling clean.
- Similar products are much too harsh, constructed either of abrasive nylon or rough natural loofah, they can actually cause small tears in the skin. Spa Cloth's cotton/nylon blend will not harm skin.
- Spa Cloth is available in [five unique designs](#), in two different strengths, one is perfect for every body!
- Whether for cleaning or massaging and exfoliating, SpaCloth is far superior to any ordinary washcloth.
